An Open Letter From Donald Trump To All Vancouver Area Residents Who Want To Get Rich In Real Estate & Business!

Trump Tells All!

“I’ve Made Billions And Now I want To Share My Success Secrets With You!” — Donald Trump,
Executive Producer, *The Apprentice*,
NBC • Chairman, Trump Institute

Dear Vancouver Area Resident,

Have you seen my TV show, *The Apprentice*? It's been one of the top rated shows on NBC for eight consecutive seasons!

Not only that, it has made me a media phenomenon and forever changed my life.

And now, at the age of 60, I've decided to make a bold move to share my knowledge and experience in such a way that it could be a great advantage to you.

What Kind Of Advantage?

The best kind of advantage; the kind of advantage that could make you money and make you rich.

If you are seriously interested in hearing what I have to say about being successful, about making money and about getting rich, please read every word of this letter carefully. It contains an invitation for you to discover what has taken me the better part of my life to learn and put into action.

Please let me explain.

Before *The Apprentice*, I was famous for building the world's largest and most beautiful buildings, golf courses and casinos, and for being a marketing whiz when it comes to succeeding in business. Everywhere I went people treated me like royalty and I was generally considered a big shot.

Everything Has Changed!

Because of *The Apprentice*, everything has changed. I have truly become a household word, globally. Everywhere I go people say something to me. Sometimes they say, "Trump, you're fired!" Or, "You're hired!" But always, they greet me with respect, humor and friendship. It's like they know me personally.

I love that!

With this monumental fame there comes a great responsibility (and an enormous opportunity) to make a huge contribution to the North American economy.

Something Extraordinary For You!

Since the amazing success of *The Apprentice*, I have been wondering what to do with this new power of worldwide fame. Recently I got the idea to do something truly extraordinary and totally outside of the box.

What I've decided is that I want to train and educate the next generation of real estate moguls and business entrepreneurs. Why?

There are two very good reasons:

Reason #1:

America's been very good to me and my family and this is a great way I can give back to the country and help stimulate real economic growth.

Reason #2:

I believe that what I have to share will create so much success for my students, that I will leave a legacy as being the father of modern real estate acquisition and entrepreneurial success.

You see, one thing you should know about me is that more than anything, I want to be known as a great businessman, maybe even the greatest!

That's why I have created Trump Institute.

Want To Know How I Do It?

Would you like to know how I buy and sell real estate? How I pick properties for huge profits and high yield equity gains?

Would you like to know what I look for when buying a business or starting a new business? If so, I'm inviting you to come to a special seminar introducing Trump Institute. At this seminar you'll see first hand the type of education I am offering.

Who Should Attend?

If you're asking yourself, "could this be the moment that changes everything for me?" All I can say is, you'll never know unless you try.

Your Success Depends On You!

Ultimately, your success depends on you, and with my help, you can get an education and an advantage that has not only proven to work for me,

but it has also worked for many of the world's richest men and women.

You see, in my quest to be the best, I have sought the advice and guidance from people who have also experienced mega-billionaire success. I have incorporated their techniques and experiences into my own personal treasure chest of successful business and real estate knowledge, strategies, and wisdom.

A Powerful Team of Experts!

I also have an incredible team of business entrepreneurs and real estate mavens (very talented experts), who deliver my material and my lessons.

These are men and women who are highly successful professionals in business and real estate. They speak from my lips to your ears and they back it up with experience, knowledge and wisdom. I wouldn't put my name on it any other way.
